Transfer Stud Punch

Transfer Stud Punch

Place the Transfer Stud Punch in a weld plate or body panel. Then position your panel over top of it and lightly tap the panel with a hammer and you'll be left with a mark in your panel where you drill your hole.

Panelfast Wrench

Quick Fastener Wrench

Features an easy grip handle and redesigned steel shank plated with black zinc for durability. Unlike a screwdriver, the blade is contoured to fit inside the 1/4-turn fastener without stripping the slot. 1 tool per package.
